

ERCOUPE FIBERGLASS LEGACY NOSE BOWL KE2-635A STC SA3502WE - FAA / PMA

Is your nose bowl in need of replacement?

Is it cracked, patched and just simply looking bad?

Worn out and wearing thin from years of vibration?

It's too expensive to purchase a new replacement and all the used nose bowls you have seen are as bad as yours?

Our fiberglass LEGACY Nose Bowl is half the cost of an aluminum replacement

The KE2-635A Legacy Nose Bowl has been developed to allow owners and operators of Univair (ERCO) 415 Series, Forney, Alon and Mooney M10 aircraft to replace their aging OEM aluminum nose bowls.

The KE2-635A Legacy Nose Bowl provides the same fit and finish as the OEM aluminum article with the advantage of improved durability and repairability.

Improved Durability

Modern, rounded look which is easily painted

If damaged, can be easily repaired to it's original appearance
